

SPORTSCOACH

SPORTSCOACH TOP FEATURES

V-Ride

Built for premium motorhomes, the V-Ride rear suspension system allows you to load up your coach with more luxury amenities while enjoying additional cargo capacity and superior roll stability.

Warranty

Sportscoach RVs ride on the XCS and XCR chassis by Freightliner Custom Chassis backed by the industry's only 5-year, 100,000-mile warranty.

Cummins Engine

Power in your Sportscoach comes from a Cummins 6.7L diesel engine.

Sachs Shocks

Custom-tuned SACHS® Shocks increase comfort, safety and dependability.

Custom Class Passport

Custom Class is your digital glove box—your go-to resource for answers to questions about your chassis and your first stop when you need support to make your ownership experience extraordinary.

DriveTech

DriveTech is the most advanced display and control system in the RV industry that prioritizes safety by putting every command in one easy-to-reach location.

Allison Transmission

The smooth-shifting Allison 6-speed transmission combined with the Cummins engine means your RV's powertrain delivers excellent hill-climbing power and exceptional fuel economy.

Unrivaled Support Network

FCCC is proud to have the largest, most comprehensive service network with more than 450 Freightliner-branded service locations throughout North America. Our extensive network includes 90 Oasis locations, which specialize in RV service.

24/7 Direct App and Support

Around-the-clock phone support with no outsourcing of after-hours calls means you'll always talk directly with a factory service advisor who averages 18 years of experience.

Camp Freightliner

Get to know your chassis with a training session at the Freightliner Custom Chassis factory service center in Gaffney, SC. This comprehensive training educates RV owners on the benefits of driving a motorhome built on an FCCC chassis.
